

# Picture Kindness!

The Love and Kindness Project Foundation invites you to a month-long celebration of **Love and Kindness...in pictures!**

Each day, all you have to do is **post a photo or drawing** of something kind!

It could be an act of kindness you've done, someone else being kind, or how you feel about love and kindness! Then hashtag **#2021KindestYearEver**

Let's get together and flood the internet with pictures of **Love and Kindness** this February and make **2021 the Kindest Year Ever!**
