Sidewalk Chalk Kindness Project!

It's easy, fun, and **KIND!**

- All you need to do is get some sidewalk chalk & draw or write a message of kindness on your driveway or sidewalk
- Then, take a photo of your **Sidewalk** Chalk Kindness and post it on social media **#SideWalkChalkKindness** & **#LKPF**
- When the rain washes away your **Sidewalk** Chalk Kindness message...just get out your sidewalk chalk and write & draw another one!

Perfect for adults, kids, family & friends & creating a better, kinder world right now!

Thank You For Your **Kindness!**
